Important Notice to all Stockbridge Property Owners

Beginning on May 1st the way that we collect and pay for rubbish removal will change. This will affect all property owners. Please share this information with all tenants. This change is necessary due to the implementation of Act 148, the Universal Recycling Law which requires municipalities to charge for the collection of waste by volume or weight by July 1, 2015. In addition, we must comply with the recyclables landfill ban.

All owners will have to contract directly with Benson's Rubbish Removal or any other hauler of their choice. You can also take your rubbish to the Bethel/Royalton Solid Waste Facility yourself. Recyclables will be picked up for a fee. You will not need to sort the recyclables and paper and cardboard will be included.

For more information call Benson's Rubbish Removal at 234-5003 or the Town Clerk at 746-8400. There is also information available on the town website www.stockbridgevt.org.
